PREMIUM

Premiums. Premiums are payable to the Company at the rates and in the manner described in the Premiums section of the Master Application. The Company may change the required premiums as a condition of any renewal of this Policy. The Company may also change the required premiums at any time when any change affecting rates is made in this Policy. BENEFITS

Maximum Amount. As applicable to each Benefit provided by this Policy for each Insured, Maximum Amount means the amount shown as the maximum amount for that Benefit for the Insured's eligible class in the Benefit Schedule, subject to the Reduction Schedule shown below.

Reduction Schedule. The Maximum Amount used to determine the amount payable for a loss will be reduced if an Insured is age 70 or older on the date of the accident causing the loss with respect to any of the following Benefits provided by this Policy: Accidental Death Benefit, Accidental Dismemberment Benefit. The Maximum Amount is reduced to a percentage of the Maximum Amount that would be used if the Insured were under age 70 on the date of the accident, according to the following schedule:

AGE ON DATE OF ACCIDENT	PERCENTAGE OF UNDER-AGE-70 MAXIMUM AMOUNT
70 - 74	65%
75 - 79	45%
80 - 84	30%
85 and older	15%

Premium for an Insured Person age 70 or older is based on 100% of the coverage that would be in effect if the Insured Person were under age 70.

"Age" as used above refers to the age of the Insured on the Insured's most recent birthday, regardless of the actual time of birth.

Accidental Death Benefit. If Injury to the Insured results in death within 365 days of the date of the accident that caused the Injury, the Company will pay 100% of the Maximum Amount.

Accidental Dismemberment Benefit. If Injury to the Insured results, within 365 days of the date of the accident that caused the Injury, in any one of the Losses specified below, the Company will pay the percentage of the Maximum Amount shown below for that Loss:

For Loss of	Percentage of Maximum Amount
Both Hands or Both Feet.....	100%
Sight of Both Eyes	100%
One Hand and One Foot.....	100%
One Hand and the Sight of One Eye.....	100%
One Foot and the Sight of One Eye	100%
Speech and Hearing in Both Ears	100%
One Hand or One Foot	50%
The Sight of One Eye.....	50%
Speech or Hearing in Both Ears	50%
Hearing in One Ear	25%
Thumb and Index Finger of Same Hand	25%

"Loss" of a hand or foot means complete severance through or above the wrist or ankle joint. "Loss" of sight of an eye means total and irrecoverable loss of the entire sight in that eye. "Loss" of hearing in an ear means total and irrecoverable loss of the entire ability to hear in that ear. "Loss" of speech means total and irrecoverable loss of the entire ability to speak. "Loss" of thumb and index finger means complete severance through or above the metacarpophalangeal joint of both digits.

If more than one Loss is sustained by an Insured as a result of the same accident, only one amount, the largest, will be paid.

Exposure and Disappearance. If by reason of an accident occurring while an Insured's coverage is in force under this Policy, the Insured is unavoidably exposed to the elements and as a result of such exposure suffers a loss for which a benefit is otherwise payable under this Policy, the loss will be covered under the terms of this Policy.

If the body of an Insured has not been found within one year of the disappearance, forced landing, stranding, sinking or wrecking of a conveyance in which the person was an occupant while covered under this Policy, then it will be deemed, subject to all other terms and provisions of this Policy, that the Insured has suffered accidental death within the meaning of this Policy.

LIMITATIONS

Limitation on Multiple Benefits. If an Insured suffers one or more losses from the same accident for which amounts are payable under more than one of the following Benefits provided by this Policy, the maximum amount payable under all of the Benefits combined will not exceed the amount payable for one of those losses, the largest: Accidental Death Benefit, Accidental Dismemberment Benefit.

EXCLUSIONS

1. suicide or any attempt at suicide or intentionally self-inflicted injury or any attempt at intentionally self-inflicted injury.

8. the Insured being under the influence of drugs or intoxicants, unless taken under the advice of a Physician.

CLAIMS PROVISIONS

Notice of Claim. Written notice of claim must be given to the Company within 20 days after an Insured's loss, or as soon thereafter as reasonably possible. Notice given by or on behalf of the claimant to the Company at American International Companies®, Accident and Health Claims Division, P. O. Box 15701, Wilmington, DE 19850-5701, with information sufficient to identify the Insured, is deemed notice to the Company.

Claim Forms. The Company will send claim forms to the claimant upon receipt of a written notice of claim. If such forms are not sent within 15 days after the giving of notice, the claimant will be deemed to have met the proof of loss requirements upon submitting, within the time fixed in this Policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made. The notice should include the Insured's name, the Policyholder's name and the Policy number.

Proof of Loss. Written proof of loss must be furnished to the Company within 90 days after the date of the loss. If the loss is one for which this Policy requires continuing eligibility for periodic benefit payments, subsequent written proofs of eligibility must be furnished at such intervals as the Company may reasonably require. Failure to furnish proof within the time required neither invalidates nor reduces any claim if it was not reasonably possible to give proof within such time, provided such proof is furnished as soon as reasonably possible and in no event, except in the absence of legal capacity of the claimant, later than one year from the time proof is otherwise required.

Payment of Claims. Upon receipt of due written proof of death, payment for loss of life of an Insured will be made, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

Upon receipt of due written proof of loss, payments for all losses, except loss of life, will be made to (or on behalf of, if applicable) the Insured suffering the loss. If an Insured dies before all payments due have been made, the amount still payable will be paid, in equal shares, to the survivors in the first surviving class of those that follow: the Insured's (1) spouse; (2) children; (3) parents; or (4) brothers and sisters. If no class has a survivor, the beneficiary is the Insured's estate.

If any payee is a minor or is not competent to give a valid release for the payment, the payment will be made to the legal guardian of the payee's property. If the payee has no legal guardian for his or her property, a payment not exceeding \$1,000 may be made, at the Company's option, to any relative by blood or connection by marriage of the payee, who, in the Company's opinion, has assumed the custody and support of the minor or responsibility for the incompetent person's affairs.

Any payment the Company makes in good faith fully discharges the Company's liability to the extent of the payment made.

Time of Payment of Claims. Benefits payable under this Policy for any loss other than loss for which this Policy provides any periodic payment will be paid immediately upon the Company's receipt of due written proof of the loss. Subject to the Company's receipt of due written proof of loss, all accrued benefits for loss for which this Policy provides periodic payment will be paid at the expiration of each month during the continuance of the period for which the Company is liable and any balance remaining unpaid upon termination of liability will be paid immediately upon receipt of such proof.

GENERAL PROVISIONS

Entire Contract; Changes. This Policy, the Master Application, and any attached papers make up the entire contract between the Policyholder and the Company. In the absence of fraud, all statements made by the Policyholder or any Insured will be considered representations and not warranties. No written statement made by an Insured will be used in any contest unless a copy of the statement is furnished to the Insured or his or her beneficiary or personal representative.

No change in this Policy will be valid until approved by an officer of the Company. The approval must be noted on or attached to this Policy. No agent may change this Policy or waive any of its provisions.

Incontestability. The validity of this Policy will not be contested after it has been in force for two year(s) from the Policy Effective Date, except as to nonpayment of premiums.

Physical Examination and Autopsy. The Company at its own expense has the right and opportunity to examine the person of any individual whose loss is the basis of claim under this Policy when and as often as it may reasonably require during the pendency of the claim and to make an autopsy in case of death where it is not forbidden by law.

Legal Actions. No action at law or in equity may be brought to recover on this Policy prior to the expiration of 60 days after written proof of loss has been furnished in accordance with the requirements of this Policy. No such action may be brought after the expiration of 3 years after the time written proof of loss is required to be furnished.

Noncompliance with Policy Requirements. Any express waiver by the Company of any requirements of this Policy will not constitute a continuing waiver of such requirements. Any failure by the Company to insist upon compliance with any Policy provision will not operate as a waiver or amendment of that provision.

Conformity With State Statutes. Any provision of this Policy which, on its effective date, is in conflict with the statutes of the state in which this Policy is delivered is hereby amended to conform to the minimum requirements of those statutes.

Workers' Compensation. This Policy is not in lieu of and does not affect any requirements for coverage by any Workers' Compensation Act or similar law.

Clerical Error. Clerical error, whether by the Policyholder or the Company, will not void the insurance of any Insured if that insurance would otherwise have been in effect nor extend the insurance of any Insured if that insurance would otherwise have ended or been reduced as provided in this Policy.

Records. The Company has the right to inspect at any reasonable time, any records of the Policyholder that may have a bearing on this insurance.

Assignment. This Policy is non-assignable. An Insured may not assign any of his or her rights, privileges or benefits under this Policy.

New Entrants. This Policy will allow from time to time, that new eligible Insureds of the Policyholder be added to the class(es) of Insureds originally insured under this Policy.

Misstatement of Age. If premiums for the Insured are based on age and the Insured has misstated his or her age, there will be a fair adjustment of premiums based on his or her true age. If the benefits for which the Insured is insured are based on age and the Insured has misstated his or her age, there will be an adjustment of said benefit based on his or her true age. The Company may require satisfactory proof of age before paying any claim.

Deductible - as used in this Rider, means the amount of Usual and Customary Charges for Medically Necessary Covered Accident Medical Services that must be incurred by the Insured due to Injuries resulting from an accident before Accident Medical Expense benefits become payable due to Injuries resulting from that accident. The amount of the Deductible is the Deductible Amount shown in the Benefit Schedule. Accident Medical Expense benefits are not payable for charges applied to the Deductible.

Durable Medical Equipment - as used in this Rider, refers to equipment of a type that is designed primarily for use, and used primarily, by people who are injured (for example, a wheelchair or a hospital bed). Exclusions. In addition to the Exclusions in the Exclusions section of the Policy, Accident Medical Expense benefits are not payable for, and Usual and Customary Charges for Covered Accident Medical Services do not include, any expense for or resulting from any of the following:

1. repair or replacement of existing artificial limbs, artificial eyes or other prosthetic appliances or rental of existing Durable Medical Equipment unless for the purpose of modifying the item because Injury has caused further impairment in the underlying bodily condition.
2. new, or repair or replacement of, dentures, bridges, dental implants, dental bands or braces or other dental appliances, crowns, caps, inlays or onlays, fillings or any other treatment of the teeth or gums, except for repair or replacement of sound natural teeth damaged or lost as a result of Injury up to the Dental Maximum shown in the Benefit Schedule.
3. new eye glasses or contact lenses or eye examinations related to the correction of vision or related to the fitting of glasses or contact lenses, unless Injury has caused impairment of sight; or repair or replacement of existing eyeglasses or contact lenses unless for the purpose of modifying the item because Injury has caused further impairment of sight.

6. personal comfort or convenience items, such as but not limited to Hospital telephone charges, television rental, or guest meals.

EXCESS BENEFITS WITH INTEGRATED DEDUCTIBLE RIDER

This Rider is attached to and made part of the Policy effective July 23, 2003. It applies only with respect to accidents that occur on or after that date. It is subject to all of the provisions, limitations and exclusions of the Policy except as they are specifically modified by this Rider.

Excess Benefits with Integrated Deductible. This Rider applies when an Insured has Accident Medical Expense coverage (herein called This Plan) under the Policy and health care coverage under one or more other Plans. When there is a basis for a claim under This Plan and another Plan, This Plan is an excess plan which has its benefits determined in excess of the benefits of the other Plan as described below, unless both: (1) the other Plan has coordination or excess benefits rules that require its benefits to be determined in excess of the benefits of This Plan; and (2) This Plan has covered the Insured longer than the other Plan has. When This Plan is an excess plan, the benefits of This Plan for any Allowable Expenses will be reduced when the sum of:

1. the benefits that would be payable for those Allowable Expenses under This Plan in the absence of this Rider; and
2. the benefits that would be payable for those Allowable Expenses under the other Plans in the absence of provisions with a purpose like that of a coordination or excess benefits provision, whether or not claim is made;

exceeds the amount of those Allowable Expenses. In that case, This Plan's benefits will be reduced so that they and the other Plans' benefits do not total more than the amount of those Allowable Expenses.

Right to Receive and Release Needed Information. The Company has the right to decide which facts it needs to administer this Rider. It may get needed facts from or give them to any other organization or person. The Company need not tell, or get the consent of, any person to do this. Each person claiming benefits under This Plan must give the Company any facts it needs to pay the claim.

Facility of Payment and Right of Recovery. If a payment made under another Plan includes an amount that should have been paid under This Plan, the Company may pay that amount to the organization making that payment. That amount will then be treated as though it were a benefit paid under This Plan. The Company will not have to pay that amount again. The term "payment made" includes providing benefits in the form of services, in which case "payment made" means reasonable cash value of the benefits provided in the form of services. If the amount of the payments made by the Company is more than it should have paid under this Rider, it may recover the excess from the persons it has paid or for whom it has paid, insurance companies or other organizations.

Plan - as used in this Rider, means any of the following group, group-type (such as, but not limited to, franchise or blanket), family or individual coverages which provide benefits or services for, or because of, health care: (1) insurance policies; (2) subscriber contracts; (3) uninsured arrangements; (4) coverage through health maintenance organizations and other prepayment, group practice and individual practice plans; (5) medical benefits coverage in automobile "no-fault" and traditional automobile "fault" type contracts; and (6) coverage under a governmental plan or coverage required or provided by law; but not including: (a) a state plan under Medicaid (Title XIX, Grants to States for Medical Assistance Programs, of the United States Social Security Act, as amended from time to time); or (b) a plan or law when, by law, its benefits are in excess of those of any private insurance plan or other non-governmental plan.

Allowable Expense - as used in this Rider, means a necessary, reasonable and customary item of expense for health care when the item of expense is covered at least in part by the Policy and is covered at least in part by one or more other Plans covering the Insured. When a Plan provides benefits in the form of services, the reasonable cash value of each service rendered is both an Allowable Expense and a benefit paid, if the reasonable cash value had been charged as the cost for the service and such expense would have been covered at least in part by the Policy.

SUMMARY OF THE MONTANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT AND NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS

Residents of Montana who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Montana Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Association will assess its other member insurance companies for the money to pay the claims of insured persons who reside in Montana and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Association is not unlimited, however. And as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

IMPORTANT DISCLAIMER

The Montana Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Montana. You should not rely on coverage by the Montana Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

**COVERAGE IS NOT PROVIDED BY THE MONTANA LIFE AND
HEALTH INSURANCE GUARANTY ASSOCIATION FOR YOUR
POLICY OR CONTRACT OR ANY PORTION OF IT UNDER WHICH
THE RISK IS BORNE BY YOU, THE POLICYHOLDER.**

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Association to induce you to purchase any kind of insurance policy.

SUMMARY

The state law that provides for this safety-net coverage is called the Montana Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverage, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Association.

Coverage. Generally, individuals will be protected by the Montana Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity or if they hold certificates under a group life or health insurance contract or annuity, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

Exclusions From Coverage. Persons holding such policies or contracts are **not** protected by this Association if:

- they are not residents of the State of Montana, except under certain very specific circumstances;
- the insurer was not authorized or licensed to do business in Montana at the time the policy or contract was issued.

The Association also does **not** provide coverage for:

- persons holding policies issued by a nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to assessments, or by an insurance exchange;
- any policies or contracts or any part of the policies or contracts under which the risk is borne by the policyholder;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- plans of employers, associations or similar entities to the extent they are self-funded or uninsured (that is, not insured by an insurance company, even if an insurance company administers them);
- dividends;
- experience rating credits;
- credits given in connection with the administration of a policy or contract;
- any unallocated annuity contract issued to an employee benefit plan that is protected under the Federal Pension Benefit Guaranty Corporation; and
- any portion of any unallocated annuity contract that is not issued to or in connection with a specific employee, union or association of natural persons benefit plan or a governmental lottery.

Limits on Amount of Coverage. The Act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract. Furthermore, the amounts the Association is authorized to pay are limited.

Allocated Contracts. For any one life insured, the Association will pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. Within this overall \$300,000 limit, the Association will not pay more than \$100,000 in cash surrender values, \$100,000 in health insurance benefits, \$100,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits - again no matter how many policies and contracts there were with the same company, and no matter how many different types of coverage.

Unallocated Contracts. With respect to each individual participating in a governmental retirement plan established under sections 401, 403(b), or 457 of the Internal Revenue Code and covered by an unallocated annuity contract or with respect to the beneficiaries of each individual, if deceased, the Association will pay, in the aggregate, \$100,000 in present value annuity benefits, including surrender and withdrawal values. With respect to any one contract holder covered by any unallocated annuity contract not included in the prior sentence, the Association will pay up to \$5 million in benefits, irrespective of the number of contracts held by that contract holder.
